3. Discussion and possible action regarding submittal of a change-of-scope petition to the Wisconsin Department of Transportation to amend the Local Road Improvement Project submission for the 2023 South Shore Road Ditching Project. The petition is to shorten the width of the gravel shoulders in certain locations along South Shore Road due to inadequate localized soil conditions creating suboptimal support for the currently-specified width of shoulders, potentially leading to excessive erosion of the shoulder and premature failure of the roadway.
4. Discussion and possible action regarding adjournment.
